

Consultation document ref: SMP/150/19, dated 4th October 2019

## PROPOSED TEMPORARY CLOSURE OF CHETNOLE ROAD, LEIGH

I have received an application from Wessex Water to close CHETNOLE ROAD, LEIGH between St Andrews Church access to the Church Lane junction to the Cross, a distance of approximately 300 metres. The closure has been requested to allow Wessex Water to carry out sewer renovation works. These works are programmed to commence from 23 October 2019 until 25 October 2019.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 11 October 2019.
