## PROPOSED TEMPORARY CLOSURE OF SOUTH STREET, LEIGH

I have received an application from Wessex Water to close SOUTH STREET, LEIGH from its junction with Back Drove to its junction with Chetnole Road, a distance of approximately 285 metres. The closure has been requested to allow Wessex Water to carry out essential sewer renovation work. These works are programmed to commence from 21 October 2019 until 24 October 2019.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 11 October 2019.
