

Consultation document ref: SMP/076/20, dated 13th July 2020

PROPOSED TEMPORARY CLOSURE OF CHETNOLE ROAD, LEIGH

I have received an application from Wessex Water to close CHETNOLE ROAD, LEIGH between its junctions with Back Drove and Alton Mead Lane, a distance of approximately 260 metres. The closure has been requested to allow Wessex Water to install new connection. These works are programmed to commence from 7 September 2020 until 11 September 2020.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 24 August 2020
