

## PROPOSED OVERNIGHT TEMPORARY CLOSURE OF HIGH STREET, YETMINSTER

I have received an application from Openreach to close High Street, Yetminster from Station Road to the Railway Bridge and Station Road at the junction with High Street (in both directions). The closure has been requested to allow Openreach Engineers safe access to carry out works to their underground infrastructure. These works are programmed to commence overnight between 21:00 and 06:00 from 5th January 2022 until 8th January 2022.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 10th December 2021.
