

PROPOSED HIGHWAY WORKS IN YOUR AREA - Hunts Bridge, Batcombe Road

To enable us to carry out essential highway maintenance works to the bridge, we plan to close Hunts Bridge, Batcombe Road between **22nd September and 31st October 2025**.

This is a 24 hour closure the road will not be open during this period.

We will be carrying out targeted and localised repairs to sections of those roads highlighted in **red** on the attached map. The recommended diversion route is marked in **blue**, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed.

If you wish to discuss these works in more detail, please contact me using the details below.

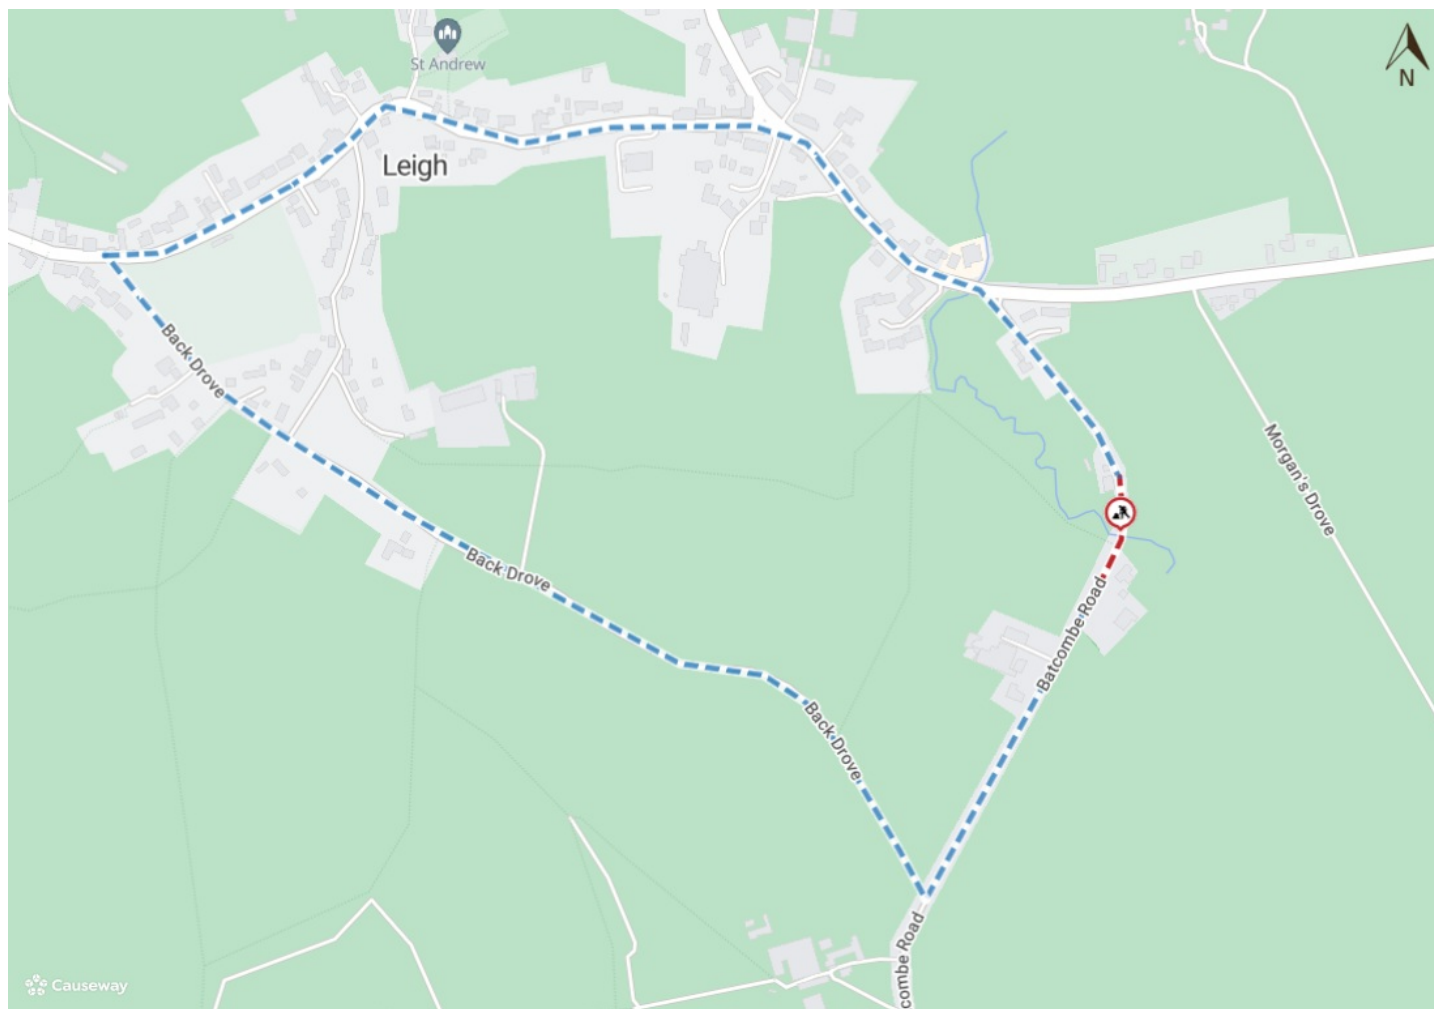

Yours faithfully
